6th Annual Conference of the
Neurocritical Care Society of India

NCSI

CHANDIGARH | 2025

Welcome Message

Dear friends,

It is with great joy and enthusiasm that we extend our warmest welcome to each and every one of you to the 5th Annual Conference of the Neurocritical care society of India (NCSI 2025).

This illustrious event, scheduled to take place in the beautiful city of Chandigarh, from 5th to 7th September 2025, promises to be a truly enlightening and rewarding experience for all participants involved. As we come together in Chandigarh, a city renowned for its vibrant cultural heritage and picturesque landscapes, we are thrilled to unite leading experts, researchers, clinicians, and practitioners in the field of neuroanesthesia and neurocritical care from India and all around the world.

During this three-day event, our carefully curated program will showcase thought-provoking keynote speeches, provide opportunities to attend interactive hands-on workshops, and engage in dynamic panel discussions, and presentations of groundbreaking research. We will cover a wide range of topics, from the latest advancements in Neuroanesthesia techniques to innovative critical care strategies for neurological patients, offering a thorough exploration of the most pressing issues and recent developments in our field.

Picturesquely located at the foothills of Shivaliks, Chandigarh is known as one of the best experiments in urban planning and modern architecture in the twentieth century in India. It provides an ideal conducive environment for learning, collaboration, networking, and exploring the latest advancements in this specialized field. We also hope you'll have the opportunity to uncover its treasures during your time here.

This conference is designed not only to provide valuable insights but also to foster an environment of collaboration, where new ideas can flourish and partnerships can be formed. Whether you are presenting your own work, learning from your peers, or simply exchanging ideas, we hope this event will foster meaningful connections that will continue to drive the progress of our field. We are confident that the next few days will be filled with rich discussions, diverse perspectives, and a shared commitment to improving patient care.

Thank you for being part of this journey, and we look forward to the enlightening experiences ahead.

Best Regards,
Organizing Committee

Abstract Guidelines for Paper Presentation

To ensure clarity, consistency, and professionalism, authors submitting abstracts for paper presentations should adhere to the following guidelines:

1. General Formatting

- ✦ **Length:** Abstracts should not exceed 250–300 words, excluding the title and author details.
- ✦ **Font:** Use a standard font like Times New Roman, 12-point, and maintain single-line spacing.
- ✦ **File Format:** Submit in PDF or Word Document format unless specified otherwise.

2. Abstract Structure

Organize your abstract using these sections, if applicable:

- ✦ **Title:**
 - Must be concise, descriptive, and reflect the main focus of the study.
 - Use Title Case (capitalize the first letter of major words).
- ✦ **Author Information:**
 - Include the full name(s) of the author(s), their affiliations, and contact email of the corresponding author.
- ✦ **Introduction/Background:**
 - Briefly state the research question, hypothesis, or objective of the study.
 - Highlight the significance and relevance of the topic.
- ✦ **Methods:**
 - Provide a summary of the methodology or experimental design, including data collection and analysis techniques.
 - Avoid overly technical language.
- ✦ **Results:**
 - Summarize key findings with relevant data, if available.
 - Do not include extensive tables or figures in the abstract.
- ✦ **Conclusion:**
 - Highlight the implications of the findings, their contribution to the field, and potential future directions.

Abstract Guidelines for Paper Presentation

3. Key Guidelines

- ✦ **Keywords:** Provide 3–5 keywords that represent the main topics of your study.
- ✦ **Language:** Use clear, professional English and avoid jargon or acronyms unless explained.
- ✦ **Abbreviations:** Spell out the full form at first mention, followed by the abbreviation in parentheses

4. Submission Requirements

- ✦ **Deadline:** Ensure the abstract is submitted by the specified deadline. Late submissions may not be accepted.
- ✦ **Submission Portal:** Upload your abstract via the designated conference management system or email it to the provided address.
- ✦ **Acknowledgment:** Expect an acknowledgment email confirming receipt.

5. Review Criteria

Abstracts will be evaluated based on the following:

- ✦ **Relevance to the conference theme and objectives.**
- ✦ **Originality and innovation of the work.**
- ✦ **Clarity in presentation of the problem, methodology, results, and conclusion.**

By adhering to these guidelines, you will ensure your abstract meets the standards and has the best chance of being selected for presentation. For further inquiries, contact the conference organizing team.

All the Best !
